Gordon Rock : The Chinese Cookbook: 50 Great Recipes from the Chinese Kitchen (Chinese Cooking) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Chinese Cookbook: 50 Great Recipes from the Chinese Kitchen (Chinese Cooking):

2 of 2 people found the following review helpful. I really love to order shrimp lo mein takeout from the same ...By T. Johnson I really love to order shrimp lo mein takeout from the same place about twice a week, but it was really hurting

my budget. When I came across this book, I just knew it would have the recipe. And I was right! Now I make it in bulk at home. Not only does it save me money, but it tastes a lot better to be honest. This book taught me how to fry my chicken, make fried rice, and make sweet and sour sauce. I honestly don't think I'll have a need to visit my old favorite (overpriced) restaurant again. These recipes are so easy to follow and even give technique pointers for prepping. This was definitely worth the purchase. I made my money back on the shrimp lo mein alone. 3 of 3 people found the following review helpful. I love Chinese food. By Nikki Smith I love Chinese food, and especially the sauces. The 1 hour barbecue sauce is amazing and the flavor profile was ridiculously good. Who would've thought to add oyster sauce? Simply delicious. The sauce recipes go well with anything, and there's a 30 second sauce that is just the perfect mix of sweet and spicy. I love egg rolls, and there's even an egg roll recipe in this book! I can't wait to try out all of the recipes, and my family is begging me for more egg rolls as I type this. Please buy this one! You won't regret it!

Tired of the same old Chinese food? Want something different for dinner? Then you'll love "The Chinese Cookbook: 50 Great Recipes from the Chinese Kitchen". This collection of easy Chinese recipes is all you'll ever need to bring to life the Chinese kitchen in your home! This Chinese cookbook is perfect for the home-chef looking to add new depth and dimension to all their food. This collection of easy Chinese recipes is a must for any foodie!
