This is one of the best cookbooks I have had over 30 yearsBy Brooklyn MomThis is one of the best cookbooks I have had over 30 years, and bought one for a family member. I would recommend it for anyone who loves Chinese food. Make your own...it's better than take-out!0 of 0 people found the following review helpful. Four StarsBy Rick G.Book is in good condition. As advertised. Reasonable shipping time. Good value.1 of 1 people found the following review helpful. Great luck, and a good and useful bookBy K. SlaterI used this recipe book in the 1960's. It got lost and I was trying to recreate one of the recipes, when I saw it on Kindle, and realized I could have immediate satisfaction and go on with my cooking. Great luck, and a good and useful book.
