Recipies seem authentic not contrived 'american-chinese'. You won't fine any General Tso recipes there. I only wish that the names were also written in hanzi. 0 of 0 people found the following review helpful. The Chinese Gourmet By Pamela The Chinese Gourmet; Authentic Ingredients and Traditional Recipes from the Kitchens of China A large book with really good recipes and pretty pictures. 5 of 5 people found the following review helpful. Superb chinese cookery book By A Customer This book is the best chinese cookery book on the market. It is not only beautifully illustrated, but the recipes are really authentic
