To this day - over three decades later - I still use it as a reference. I made sure to pick up some "gently used" editions via so I can pass copies along to my kids. I particularly like their recipes for Scallion Pancakes, Peking Duck, Jow La Chicken, and Kung Pau Chicken. But there are lots of other gems, like dumplings and lo mein.

Saves me the trouble of writing requested recipes for peeps interested in learning this style of cooking. A nice intro to velveting meats for stirfry and other cooking techniques!
