Joshua M. Bernstein : The Complete Beer Course: Boot Camp for Beer Geeks: From Novice to Expert in Twelve Tasting Classes before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Beer Course: Boot Camp for Beer Geeks: From Novice to Expert in Twelve Tasting Classes:

17 of 18 people found the following review helpful. AmazingBy Scott UnderwoodNot just a big coffee table book, smart, witty and thoroughly engaging approach. Wonderful gift idea for any level of beer enthusiast in your life.1 of 1 people found the following review helpful. this is an awesome book for beer loversBy E HobbsProduct description: Some pages were bent/folded. The book's cover corners looked a bit smushed. This was a gift, and I wanted to give a new-looking book. Content-wise, this is an awesome book for beer lovers! Overall, though, the book was well-received liked!0 of 0 people found the following review helpful. Entertaining and informative!By MaggieThis is an informative and entertaining book. I really love it.

It's a great time to be a beer drinker, but also the most confusing, thanks to the dizzying array of available draft beers.

Expert Joshua M. Bernstein comes to the rescue with *The Complete Beer Course*, demystifying brews and breaking down the elements that make beer's flavor spin into distinctively different and delicious directions. Structured around a series of easy-to-follow classes, his course hops from lagers and pilsners to hazy wheat beers, Belgian-style abbey and Trappist ales, aromatic pale ales and bitter IPAs, roasty stouts, barrel-aged brews, belly-warming barley wines, and mouth-puckering sour ales. There is even a class on international beer styles and another on pairing beer with food and starting your own beer cellar. Through suggested, targeted tastings, you'll learn when to drink down-and when to dump those beers down a drain.

"Bernstein has written a book that will take the reader from 'beer novice' to 'intrepid and informed explorer' in no time flat."--Garrett Oliver, Brooklyn Brewery brewmaster; and editor-in-chief of *The Oxford Companion to Beer*
