The only down side is that there are few instructive pictures.However, if you want to learn to make puff pastry-the real kind-which is amazing-not store bought. This is the book for you. It also has excellent detailed instructions on how to make pie crusts and strudels. The author is very enthusiastic. He also wrote a famous book on breads.This should be one of the go-to books in your kitchen if you like to make outstanding deserts which will impress you and your family and friends.0 of 0 people found the following review helpful.
