This book helped out quit a bit,with the do's and don'ts for wine making. For homemade wine making,this book will come in handy.1 of 1 people found the following review helpful. everything a new winemaker wants to know.By Scott S. E. MerrittThis book has been exceedingly helpful in getting started with winemaking. I keep it right next to my equipment and refer to it frequently. The chapters are well organized so that it is easy to quickly find useful information when you need it. I especially like the last chapters which list ~100 different types of wines and spirits with well-written recipes. I will frequently recommend this book to others getting started.1 of 1 people found the following review helpful. Great book.By KLEasy to follow recipes. Great instructions. Tells you how it really is and it explains the wine terms so you don't get lost.
