Teitenberg Don't get the kindle copy, it is too hard to flip back to a recipe or something you need to locate quickly while decorating cookies. I ordered this and was expecting a book. I guess that I ordered it as a kindle item. :( Be sure that you don't make that same mistake, now I have to pay for the book on top of the kindle copy which was almost \$12. I ordered three books on Cookie Decorating and this is the one that I refer to mostly. I really didn't need the others. This book is the best one by far. I am enclosing pictures on my first try for my daughter's baby shower. 3 of 3 people found the following review helpful. Thanks From a Cookie Decorating Newbie By Jane Marple A plan for this year is to become competent in

baking and decorating rolled, cutout cookies. Thanks to this excellent book, I'm now very motivated! The information is detailed and logically presented, and the many, many photographs are clear and helpful. It's hard to imagine a more useful handbook for learning cookie decorating. I'm reading the general information, some of which is guiding me in choosing materials and supplies. I'm grateful for that guidance, since there is so much to choose from and I totally don't know what I'm doing. Autumn has definitely provided good learning guidelines to a cookie decorating newbie who was feeling a little overwhelmed. 15 of 15 people found the following review helpful. Yummy! By mutti17522I purchased this book shortly after it was released. I've been making cookies decorated with royal icing for about 1 1/2 years. This book surpassed my expectations for information. The ideas are endless but all possible because of the great instructions and numerous photos. Strongly recommend this to a beginner or advanced cookie baker. Order it, sit back with a cup of tea and a cookie and enjoy the wealth of information!

This richly illustrated how-to book is a comprehensive reference about various techniques for decorating cookies, including buttercream icing, rolled fondant, run sugar, painting, chocolate icing, and egg wash glaze. The clear organization provides easy access to information with step-by-step directions and 400 full-color photos. Easy projects provide fun opportunities for trying the techniques, and a gallery of beautifully decorated cookies offers examples and inspiration to pursue the hobby yourself!

About the AuthorBased in Fort Wayne, Indiana, Autumn Carpenter is a nationally known confectionery artist, author, and demonstrator. She has published several books, including *The Complete Photo Guide to Cake Decorating*, *The Complete Photo Guide to Cookie Decorating*, and *Decorating Cakes, Cupcakes, and Cookies with Kids*. She demonstrates annually at the I.C.E.S. (International Cake Exploration Societe) and travels across the United States, sharing the craft of cake decorating and other confectionery arts. Autumn is co-owner of Country Kitchen SweetArt, a retail cake and candy supply store that has been in her family for over 45 years. The business caters to walk-in store sales, catalog sales, and an online store, [shopcountrykitchen.com](http://shopcountrykitchen.com). Autumn has developed her own line of useful tools and equipment for cake decorating and cookie decorating, and sells them online and in many cake and candy supply stores throughout the United States and in several other countries. Her cakes and products have been featured in numerous publications and magazines, including *American Cake Decorating* and *Cake Central*.
