Great gift! By E. Haynes My husband bought this several years ago for me and I have bought two more copies to give as gifts. Most recipes have a full size color picture and the cookies range from basic to elaborate. Easy to follow directions and a good layout make this a winner among other cookie cookbooks I have. I think it makes an easy gift for anyone, especially for a gift exchange or someone you don't know well. Who doesn't love cookies? Can't beat the price, and it looks like you spent a lot more. 6 of 6 people found the following review helpful. Great pictures and recipes By A Customer I've had this book for years.
