J.R. Stevens : The Curious Cookie: Over 50 International Cookie Recipes before purchasing it in order to gage whether or not it would be worth my time, and all praised The Curious Cookie: Over 50 International Cookie Recipes:

5 of 5 people found the following review helpful. Not all there...By love to cookWhile there was a variety of cookies, most were too similar. In addition, there were a lot of grammatical errors. Additionally, a number of the recipes were missing parts of the directions.0 of 0 people found the following review helpful. Cokies from around the world: no nutr info, no picsBy Jbarr5The Curious Cookie: Over 50 International Cookie Recipes by J.R. StevensStart out with

joining a mailing list to get more free ebooks. Chapters on American Cookies, European cookies, Middle Eastern, and Asian cookies each recipe starts out with a title, prep, cook time and servings. List of ingredients and directions. There are no pictures and no nutritional information. You might be able to substitute for a healthier option but it's going to change the texture and taste of the cookies. Too much fat content for us to have. 0 of 0 people found the following review helpful. Around the world with cookies By Rusty Cookies from around the world how great is that? I am a great lover of cookies and when I found out that this cookbook has recipes from around the world I was so excited I could not hold the joy that was inside of me. Thank you and enjoy your day.

Cookies hold a special place for most people, especially children. Many of us remember cookies our mothers made when we were young. With over 50 recipes to choose from in *The Curious Cookie*, you'll fall in love with the luscious diversity of international cookies. Experience what kids from other cultures have enjoyed - from Europe to the Middle East to Asia and to America. Grab a copy of *The Curious Cookie TODAY* and transport yourself to different lands!
