(author) Robyn Meredith : The Elephant and the Dragon: The Rise of India and China and What it Means for All of Us (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised The Elephant and the Dragon: The Rise of India and China and What it Means for All of Us (Hardback) - Common:

In the streets of India, camels pull carts, and monkeys race across roads. In China, men in Mao jackets pedal bicycles along newly built motorways, past skyscrapers sprouting like bamboo. This book tells how these two Asian nations, each with more than a billion people, have spurred a new "gold rush" and what this means for the rest of the world.
