I did not expect that but their it was and the sprimp recipe also made my mouth water. Ok that said the rest of the book nothing but cheesecake. I was just overwhelmed with every kind of cheesecake you can think of. I will be spending some quality time in the kitchen at night because first thing in the morning I will want a slice of my homemade cheesecake. The book was in excellent condition it was brand new I love the books I get from I have not been disappointed yet with the quality that you get with I'm totally addicted with this company thank you thank you thank you and Eli thank you too.2 of 2 people found the following review helpful. Lots of history and cooking tips!By

Mount Morris artist Really great history! Lots and lots of recipes. I made the cheesecake and I will definitely make it again. Lots of cooking tips as well. 3 of 3 people found the following review helpful. Chicago, Chicago By Len Goldstein Fun and fond memories of a great restaurant I frequented in all my years of working the Chicago market.

The Eli's Cheesecake Cookbook captures the glory of this globally celebrated interpretation of one of America's favorite desserts. Eli's cheesecake began more than 35 years ago, rising to prominence first as a featured item at one of Chicago's most popular restaurants—Eli's The Place for Steak, a classic steakhouse and pillar of the city's culinary community that was also a noted celebrity watering hole. From Eli Schulman's first cheesecake creation at Eli's The Place for Steak to President Obama's 50th birthday cake, this book details the storied history of one of the nation's most famous desserts. This cookbook includes 40 cheesecake recipes, including Original Plain, Chocolate Chip, Cinnamon Rum Raisin, Belgian Chocolate, Espresso, and Banana, plus 10 signature steakhouse dishes like the acclaimed Liver Eli. Schulman is often credited with putting "Chicago-style" cheesecake, richer and creamier than its New York counterpart, on the map. Published to coincide with the 35th anniversary of Eli's Cheesecakes, this collection will allow home cooks to make the same cheesecakes that helped celebrate Mayor Rahm Emanuel's inauguration, Presidents Clinton and Obama's inaugurations, Abraham Lincoln's bicentennial, the City of Chicago's 150th birthday, the White Sox World Series, and more. As Eli Schulman might say, it's a helluva book.

"The best cheesecake for purists." —Bon Appétit
