Marcus Lafayette Byrn : The English System of Brewing Ale before purchasing it in order to gage whether or not it would be worth my time, and all praised The English System of Brewing Ale:

This book is thoroughly recommended for inclusion on the bookshelf of the home-brewing enthusiast. An expert on the subject writes a comprehensive account of the Scottish brewing process. This book contains classic material dating

back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience.
