And I am soo glad I didn't wait. the cookbook is beautifully laid out, really lovely and original recipes. every photo is both mouthwatering and beautiful. our first taste of the recipes was the chococlature chip angel food cake with chocolate marshmallow frosting. I bought this as a gift for a chocolate lover to put in a basket with some baking chocolate. Everything looked so good in there I might buy this for myself! Great photos and easy to find ingredients.

One of the greatest pleasures of life is biting into a warm chocolate chip cookie straight from the oven. Now imagine it's Chocolate Chip Bread Pudding or Chocolate Chip Angel Cake with Chocolate Marshmallow Frosting. The Essential Chocolate Chip Cookbook offers 45 recipes that cover all the dessert bases cookies, cakes, candies,

brownies, tarts, frozen treats, and more. Chocolate chips saturate these recipes inside and out, so there's also a guide to the differences between these tiny indulgences. Using milk, semisweet, bittersweet, and white chocolate, Klivans encourages readers to discover their favorite chocolate chip recipes by, of course, tasting them all!
