The Infamous Mellow Yellow - Crocus Saffron PlantBy Angie B.The Essential Saffron Companion by

John Humphries is the most accurate and comprehensive book ever written about the "Mellow Yellow" plant (Crocus Sativus). It is packed with historical points about the bulb to the characteristics of the plant once bloomed. All good details and very accurate. Also, the recipes are top-notch castillian cooking. Very much authentic of the European Spanish-style cooking. Bravo, JH!0 of 0 people found the following review helpful. Five StarsBy rosemoonthank you
