Thank you - absolutely what I was looking for. Someone wrote they were "disappointed" in the book - must have been a competitor because this book is fabulous - size means nothing if the recipes are worth it - and in this book, they are!1 of 1 people found the following review helpful. Lovely Little Christmas CookbookBy CateI purchased this book for my sister-in-law, and she loves it. When I gave it to her, she immediately identified several recipes that she wanted to try. I gave it to her for Thanksgiving so that she would have plenty of time to bake for Christmas. It's a very quaint little book, with a lot of recipes. All of the pictures are quaint illustrations. Each recipe has detailed instructions. I can't wait to see what my sister-in-law comes up with--she's a real baker, so I know she will enjoy the traditional recipes in this sweet little cookbook.4 of 4 people found the following review helpful. Charming, succinct and comprehensiveBy Linda StarrThe previous review is ludicrous! I'm amazed that the reviewer thought the smaller size of the book (6 x 6) automatically devalued its contents, and that its charcoal drawings are somehow undesirable. This book is wonderful (and I have over 600 cookbooks, so I believe I am qualified to comment). Visually, historically, and practically speaking, you will enjoy owning and using it. It makes me angry when I think that the previous review may have prevented someone from buying this book--a lot of love and care obviously went into it.

A celebration of holiday recipes, memories, customs and traditions from throughout the world. There are fabulous recipes for cakes, breads and cookies along with charming stories of family Christmases and holiday traditions.

.com The Festive Christmas Cookbook is more than a compilation of scrumptious holiday recipes--it's a celebration of holiday memories and traditions from throughout the world. The book will leave you feeling warm and tingly with its charming stories of family Christmases and traditions. Fabulous recipes for cakes, breads, scones, and cookies make this a fun, festive treat.
