Margie Greenberg, Abbey Greenberg : The Flour Pot Christmas Cookie Book: Creating Edible Works of Art for the Holidays before purchasing it in order to gage whether or not it would be worth my time, and all praised The Flour Pot Christmas Cookie Book: Creating Edible Works of Art for the Holidays:

10 of 10 people found the following review helpful. Lots of Fondant!By AJYThis is a beautiful book with one picture and recipe just about every 2 pages. The photography and cookies are stunning. However, the authors rely heavily on the use of fondant for decorating which I found disappointing. I also purchased the Cookie Craft Christmas and prefer that book which focuses on various piped icing techniques.0 of 0 people found the following review helpful. CookiesBy Suzanne M. ParkerA good book but sometimes it is difficult to get the necessary items to do some of the nicer cookies.0 of 0 people found the following review helpful. A wonderful resource for the daring and imaginative holiday bakerBy Midwest Book Review"The Flour Pot Christmas Cookie Book: Creating Edible Works of Art For the Holidays" is a holiday textbook fro imaginative cookie bakers and decorators. Written by a mother and daughter team who form a cookie boutique called The Flour Pot, "The Flour Pot Christmas Cookie Book" is filled with brilliant, inventive, designer cookies appropriate for all the winter holidays. There are snowmen, trees, doves, Santas, reindeer, Christmas lights, and also dreidels, stacks of presents, and chocolate stars of David for the Festival of Lights. There are also snow babies, sleds, and polar bears for plain winter fun, along with peekaboo snowflakes, icicles, and holly leaves. All cookie concoctions are beautifully photographed in full color, accompanied by lists of supplies and specific

directions, plus comments from Margie and Abbey. At the end of the book is a section called Basics that has recipes for several cookie doughs, fondant, meringue powder royal icing, spun sugar, tips on piping and supplies, and a page of templates. "The Flour Pot Christmas Cookie Book" is a wonderful resource for the daring and imaginative holiday baker who likes to decorate beautiful cookies, or "edible works of art." Nancy Lorraine Senior Reviewer

One of the fondest memories people have of the holidays is of the fun of decorating cookies: Santa Claus, Reindeer, Snowmen, Christmas Trees, and more. Nothing says Christmas like cookies. Acclaimed cookie creators Margie and Abbey Greenberg dazzle us again with their next book of creative treats that, according to Al Roker, "Taste as good as they look." The Flour Pot Christmas Cookie Book celebrates more than 40 decorations that will delight your kids and enhance your holiday parties. Includes color photos of each cookie, a list of basic tools, sugar cookie and icing recipes, and fondant coloring and piping instructions.

The Detroit News, December 16, 2009 "The mother-and-daughter business partners show you how to craft your culinary skills into edible works of art this holiday season. Discover ways to make your baking and decorating skills the talk of this year's cookie swap."
