Most recipes here contain one or two things you might not have in your kitchen, however almost all the recipes use those same one or two things (e.g. lemongrass, fish sauce), so you buy them once and you will be good for a while.1 of 1 people found the following review helpful. Great bookBy Virginia M. RicciardiThe most complete book of the wonderful foods of Thailand. If you're going to buy only one Thai cookbook, make it this one.0 of 0 people found the following review helpful. Four StarsBy BooksttvdGood.

The book includes all the most famous, popular and classic Thai dishes, and then goes on to feature dozens of more innovative and contemporary ideas and variations. Galangal, Chicken and Coconut Soup, Scented Fish Salad, Red Chicken Curry with Bamboo Shoots, Lemon Grass Pork, Pak Choi with Lime Dressing and Papayas in Jasmine Flower Syrup are just a handful of the delights featured on these pages.
