The tastes and aromas are heavenly and inspire me to want to try more. I am pleased so far.3 of 3 people found the following review helpful. excellent for people that are just learning this cuisineBy purpleladya very good book, with lots of explanation

especially good for people that are not too familiar with the Indonesian cuisine. I cook a lot of Indonesian cuisine, I was born on one of the islands, and my grandmother is Indonesian, so I can give this book a good rating. 0 of 0 people found the following review helpful. Five Stars
