I am very happy to have it back since it's actually one of my core cookbooks. Despite whatever Jeff Smith may have done, there is no doubt that he is a talented chef with notable, shareable recipes.0 of 0 people found the following review helpful. Yum,Yum,YumBy D. BuckmanHave owned this cookbook for about 27 years. Love it! Now my kids will be leaving and starting homes of their own, so got copies of the cookbook for them. Best minestrone and cabbage soup.
