Well maybe I spoil my Shih Tzu...By Dr. James BerryhillI try to feed my Shih Tzu, Martin, quality prepared dog food, but like many small dog owners I like to give him "treats". This book tells how to make better treats in your own kitchen. Including a substitute for the forbidden treat, chocolate. The only down side I can see is that now my dog refuses to eat most of the store bought treats.1 of 1 people found the following review helpful. Dogs love them!!By Shan SparshottI make these treats at my shop and the dogs love them. It's quick and easy to make, and you don't have to have a lot of ingredients.

The Good Treats Cookbook for Dogs contains more than 50 recipes for all-natural homemade treats for our canine companions. Although not everyone makes, or even buys, high-end food for their dogs, everyone loves to spoil their dogs with treats. The Good Treats Cookbook for Dogs contains far more than simple dog-bone shaped peanut butter treats. Instructions are provided for making over-the-top human-grade baked goods such as: Liver-Cheese Brownies, Carob Petits, Fours Peanut Butter and Cream Cheese Cannolis, Wheat-Free Liver-and-Herb Biscotti, Apple Oatmeal Mutt Muffins, Salmon and Cheese Bon-Bons, Coconut-Coated Carob-Crunch Truffles, and Apple Cinnamon Donuts. Unlike other pet books on the market, this book contains full-color photos of all of the treats and adorable photos of dogs doing what dogs do, thinking about food or eating food. This book is as much about the pampered-pooch lifestyle as it is about the actual baking. The Good Treats Cookbook for Dogs is also the only book that goes beyond biscuits and cookies and contains brownies, bon-bons, biscotti, mini-pizzas, cupcakes, birthday cakes, and more! Because even your dog knows that celebrating special occasions are far more fun with cakes, a party tray, and gift basket ideas. For treats and the perfect tips tips on throwing the perfect dog party, look no further!
