The Great Big Baking Book by Patricia Lousada - A Must Buy!By A CustomerThis book is wonderful! If you have a child who can read, this is a great cookbook for him/her. The step by step color photos are excellent. My 11 year old daughter took this out of the library EVERY month since school started so I ordered it for her Easter Basket. A classic collection from family cookies and breads to sumptuous cakes and gateaux, photographed throughout.
