A book with all the technical challenges from season two, and various recipes from some of the bakers. I've made quite a few recipes from the book. Don't get discouraged that the ingredients are measured differently than we do here in the states. Just get yourself a digital scale (\$10 and up), switch the measurement to metric (mine had a button on the bottom that easily did that), and measure til your heart is content. There are a lot of extra recipes that weren't on the show and that aren't from Paul and Mary, but they are still good.0 of 0 people found the following review helpful. Book Revives Baking ActivityBy Deirdre JerseyLoved the read and education in this book. Waiting for a cool day to bake some of Paul Hollywood's bread recipes and for November when the glace cherries will be available for Mary Berry's Cherry Cake. Very pleased.0 of 1 people found the following review helpful. ... hooked on the TV shows - this is really nice if you like bakingBy Sandy

RobertshawGot hooked on the TV shows - this is really nice if you like baking.

This book is for the baker who wants to whip up a cake for an office party, a traybake for a kid's birthday, or a pudding to follow a simple supper. Using straightforward, easy-to-follow techniques, there are foolproof recipes for cakes, traybakes, bread, biscuits, tarts, pies, puddings, and desserts. If you are a confident baker or ready to move onto the next stage, each chapter also showcases the best recipes from the series, including Mary and Paul's Signature Bakes, Technical Challenges and Showstoppers, plus the best bakers' recipes from series four. There are step-by-step photographs to guide you through the more complicated techniques and beautiful photography throughout, making this the perfect gift for all bakers. As usual, everyone who buys the book will be able to download the digital booklet of finalist recipes after the finale has transmitted in October. And as a thank you to every one who has bought the previous Great British Bake Off books, we will be featuring snaps of some of the best home-bakes, sent in by readers, on the endpapers of the book.
