Linda Collister : The Great British Bake Off: Winter Kitchen before purchasing it in order to gage whether or not it would be worth my time, and all praised The Great British Bake Off: Winter Kitchen:

3 of 4 people found the following review helpful. Great cookbook with misleading titleBy caseyThis book features many mouth-watering recipes. The instructions are well-written and a photo of the final dish accompanies most recipes.I do want to let other potential buyers know that the title might be misleading. I had the impression from the title that the recipes would focus on British cuisine. As it turns out, the recipes are for mostly wintry fare of hearty soups and stews from around the globe. Of course there are a few bread and dessert recipes featuring the seasonal winter fruits.Also, the title indicates "Bake-Off" but there's not much baking. There are recipes for Irish soda bread and home-made Sour Dough, etc, but this cookbook is not 100% pure oven-baking.I recommend potential buyers take advantage of the "Look Inside" feature and glance at the Index listing all of the dishes. The Table of Contents might also list all of the dishes - don't remember.I like the book and recipes - but I was hoping for all British fare, of which

there are a few recipes, but also the classics: Coq au Vin, Cassoulet, Pork Goulash, etc.3 of 4 people found the following review helpful. Beautiful photographsBy Ms Ann E DalyI loved the stylish photography. The pre-loved equipment combined with beautiful textures gives the reader the feeling that 'everyone can achieve this'.2 of 3 people found the following review helpful. Book was in good condition and arrived swiftlyBy The voleAlready used it! Book was in good condition and arrived swiftly. It was as advertised. Thanks

The Great British Bake Off is a glorious celebration of British summertime, as much as it is a showcase of exceptional baking. But, in the depths of winter, what is more inviting than a hearty bake warm from the oven?As the nights grow long and dark, baking is the perfect pastime to while away the hours until spring. With this in mind, The Great British Bake Off offers the perfect wintery recipes: crusty breads, golden pies and rich puddings; hearty soups, casseroles and stews, mouth-watering roasts and clever ideas to stock-up your freezer.Celebrate seasonal produce, with delicious recipes for winter fruit and veg, while making the most of the produce from warmer months by preserving, pickling and jam-making. Brighten up dark nights with fresh ideas for party canapes and celebrations, from Halloween to Hogmanay.Finally a book of winter wouldn't be complete without a celebration of Christmas, Bake-Off style. Winter Kitchen has plenty of showstopping, festive recipes for the holidays, as well as special recipes for homemade edible gifts.

About the AuthorLinda Collister is the author of many cookbooks, including Brownies, Cooking with Kids, Country Breads of the World, and Sensational Sauces.
