Vincent Joseph : The Great Indian Cookbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Great Indian Cookbook:

0 of 0 people found the following review helpful. AuthenticBy Balraj BhasinThere are very few good Indian cookbooks out there which are the real stuff and this is one of them. Both authors have considerable professional experience and unlike most others seem to have kitchen tested the recipes before putting them down. I draw from this collection of recipes for the Sunday buffet at my restaurant with very good results. Wanted to gift a copy to one of our 'Indian-cooking enthusiast' patrons. Too bad it's currently out of print. Balraj Bhasin (BBhasin@aol.com)Bombay Curry Company, Alexandria, VA

For both the gourmand and gourmet, this book literally brings home the rich variety of flavours and tastes of Indian cooking, including many regional variations: spectacular meat preparations, tandoori, curries, the rogan josh, kormas, koftas and biryanis. A variety of seasonings help to bring out the unique flavours of the food. Consisting of all time favourite recipes, and provided by the chefs from the leading restaurants like the Baluchi of the Holiday Inn Crowne Plaza, New Delhi, these sumptuous dishes are easily made in modern kitchen.

About the AuthorVincent Joseph has been chef in leading hotels in India and abroad, for over a decade now. He has participated in advanced hotelery workshops and courses in Europe and the Far east. Fluent in Burmese, English and Arabic, and a little French and German. Mr. Joseph is currently the Executive Chef at the Holiday Inn Crowne Plaza,

New Delhi. he bring varied experience of hsi craft to give you the choicest exotic Indian recipes. Mohammed Ahmed Qureshi is Chef at the Baluchi, the Indian restaurant at the Holiday Inn Crowne Plaza, New Delhi. Hailing from a family of chefs, Mr. Qureshi spent seven years under the tetelage of the famous chef Mr. Ghulam Rasool, learning the fine art of gastronomy. Neeraj Paul is a young profession photographer with a leading daily. He turns his talents towards food photography for this book.
