Delicious Food from these Recipes By Gentle Reader Jean Yueh provides wonderful recipes with instructions that enable any cook to create impressive, authentic Chinese dishes. A must for anyone interested in learning Chinese cooking. 1 of 1 people found the following review helpful. Fabulous basic Chinese cooking By MPI've used this book for many 20+ years. I'm an accomplished Chinese cook, as is my husband. This book tells you all the basics of Chinese cooking and is particularly good on technique. Master these recipes and you will be ready for much more complex Chinese cooking. Plus, everything I make from the book tastes GREAT!
