Delicious and informative. By Jamie You really can't go wrong with this smoothie book. It has 70 very tasty and very healthy recipes. After drinking some of these for a week, I've already felt a marked improvement in my energy levels and brain function. The brain boosting smoothies is my favorite chapter (LOVE the Dopamine delight smoothie!) Great for improving your health and the quality of your life. Highly recommend this wonderful book. 2 of 2 people found the following review helpful. Very happy with these smoothies. By Zachary Wayne This book gives you recipes for DELICIOUS smoothies!
