He was happy to gather up his scrap recipe papers and have a

centralized place to keep his recipes. The book itself was nice, good writing area, decent margins to make random notes if necessary. 1 of 1 people found the following review helpful. Great Journal By Amy M. Bought this for my husband's stocking for Christmas and he loved it. It has everything he needs to keep track of his homebrews in an organized way.

Would you like to precisely re-create your favorite home brewed beer? Have you ever wanted to improve a brew, but couldn't remember the exact brewing process? The Home Brewing Journal includes space to record 80 brews (nearly 4000 bottles of home brew!) This journal can be used for both extract and all-grain home brewing. Each entry includes space to record: Beer name and style; Date brewed; Batch number and size; Specialty grain types and amounts; Fermentable types and amounts; Hop types, amounts, alpha acid percentages, and addition times; Yeast type; Grain steeping time; Boil time; Cooling method; Original and final gravity; Alcohol by volume; Notes on brewing, fermentation, color, and taste, as well as miscellaneous notes
