The instructions are missing important details. Not worth the effort to try any of them.0 of 0 people found the following review helpful. Nice Collection of RecipesBy Giovanna G.Nice collection of varied cookie recipes, from traditional to not-so-traditional and from home-style to ethnic. Of the ethnic recipes that I am familiar with, but not likely experienced by many Americans, the recipes were fairly true and were

straightforward and sufficiently streamlined for a successful product.0 of 0 people found the following review helpful.  
Great recipesBy amuse1468I found these cookie recipes to be simple and they sound delicious. A few recipes were missing complete instructions, a step or two seemed to be omitted. Also several had cookie names blanked out. Strange. It was a free purchase- i love free.

An irresistible collection of more than 50 of the best cookie recipes from around the world, these carefully selected and meticulously tested offerings are American favorites, as well as cookies from other lands including Europe, the Middle East and Asia.
