And a happy surprise my original copy was a paperback and this one was a hard back ...felt like I won a small lottery prize 10 of 10 people found the following review helpful. absolute winner By W. Lanford My copy is spattered with ingredients from front to back. There is not a loser recipe in the bunch. Illustrations scattered throughout inspire you to try new and old favorites. The recipe format is easy to read and directions are clear and simple. I especially like that there are international recipes included. The Italian wine cookies, the cinnamon bars and Kentucky bourbon bars are always on my Christmas cookie platter. I have many cookbooks and Christmas magazines with recipes but I could chuck them all in favor of this one little gem of a cookbook. 0 of 0 people found the following review helpful. Five Stars By Leyla Sheehan-guaranteed little recipe book

Cookies are fun--and they're better than ever with this inspired collection of recipes and tips guaranteed to please all, from treat-hungry kids, to full-grown cookie connoisseurs! Absolutely delicious cookie treats from every corner of the world. Full-color photographs.

From Publishers Weekly Like the six other cookbooks in the Barron's "Joy of" series, this is sensible, straightforward and illustrated with useful line drawings and tempting color photographs. Herbst (Tastemaker Award-winning Breads, Simply Sensational Desserts) appears regularly on television as Hour Magazine's cooking expert. She deftly utilizes her skills here, mapping out the many avenues of cookie-making: bar, rolled, drop, hand-formed, pressed, refrigerator,

chocolate, chocolate-chip and holiday cookies. The lucid recipes are generally easily accomplished. Cookies have a wide appeal, spanning all ages and nationalities, making them perhaps the most universally consistent dessert. Recipes to savor include: Irish whiskey seed cakes, British Guyanan Georgetown lime cookies, Armenian nut-filled cigar cookies, Icelandic egg cookies, Russian pigtailed, Swedish angels, Spanish cats' tongues, Egyptian orange flower-almond cookies and American sugar bush softies, pumpkin Halloween cookies and "stained glass" Christmas cookies. A variety of tips, glossary of ingredients and a trouble-shooting section are a boon to novices. BOMC and Better Homes and Gardens Cook Book Club selections; author tour.
