**David Munn : The Joy of Pastry** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Joy of Pastry:

0 of 0 people found the following review helpful. Wonderful book! so many great recipes with easy to ...By JWonderful book! so many great recipes with easy to understand instructions and beautiful photos. Looked for additional books by this author, but can't seem to find any.3 of 3 people found the following review helpful. PastryBy NikWho doesn't like pastries? Barron's books put out a great many educational books with first rate instructions and well researched recipes. This is one of them. David Munn has produced a book with straight forward information and easy to follow direction. The recipes are not complicated and very usable. A great start for the young, budding baker and new bakers of all ages. Enjoy!0 of 0 people found the following review helpful. Great serviceBy awthe joy of pastry is a cute little book jam packed with information,i like the esthetic, very darling !

Baking pastries can be an exacting, painstaking affair, but with the full-color photographs, step-by-step instructions and simple, mouthwatering recipes, and pastry lover can discover The Joy of Pastry.
