Virginia Reynolds : The Little Black Book of Cocktails: The Essential Guide to New Old Classics (Little Black Books (Peter Pauper Hardcover)) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Black Book of Cocktails: The Essential Guide to New Old Classics (Little Black Books (Peter Pauper Hardcover)):

3 of 3 people found the following review helpful. Good for beginners By Jason Toon As an introduction to cocktails,

this has served me well for the past year or so. I'm starting to reach the limits of the drinks I'm interested in here, but I can't complain: it says it's a "little" book right there in the title. Since I'm still learning the vocabulary of cocktails, I like that the recipes tend toward the basic, with a few variations, except for martinis, which get an entire chapter. The lay-flat spiral binding, heavy-duty cover, and pocket size make it perfect to keep stowed somewhere on your kitchen counter or bar. Great gift for a beginning home bartender. Someone more experienced would prefer a bigger, more sophisticated guide. 3 of 3 people found the following review helpful. The book is easy to read making it easy to look up drinks ...By victoria This book is very cute and small enough to fit in your purse. The book is easy to read making it easy to look up drinks quickly. I feel this is a great item to have in your home or at work behind the bar. 2 of 2 people found the following review helpful. Sweet little drink recipe book By A Mencken Fan Nice binder rings for easy use of this book, as well as an elastic page holder...make this item a must have for the experimenting barkeep. DGMW, I'm just using this at home. But with a bit more of this book's offerings, i might just become a trained professional. It has an expanse of drink options, with only a couple that begin to seem repetitious. Overall, the variety outweighs that, and this book will keep you satisfied for making delicious drinks.

Here's to cocktails! Mix them, drink them, enjoy them. This bestselling Little Black Book of Cocktails includes more than 150 recipes for classic cocktails, martinis, punches, tropical drinks (with or without umbrellas), dessert drinks, naughty-sounding cocktails (like "Between the Sheets" and "French Kiss"), tips on cocktail culture, a glossary, and amusing anecdotes. Helpful index includes listings of drinks by name, by primary alcoholic ingredient, and by color/flavoring. Portable size (4-1/4 inches wide by 5-3/4 inches high) fits in your pocket. Durable hardback format. Concealed wire-o binding. 160 pages. Book lies flat for ease of use. Elastic band attached to back cover keeps your place or keeps book closed. The perfect little gift book for your favorite bartender! Cheers!
