Carol Robertson : The Little Book of Wine Law: A Case of Legal Issues (ABA Little Books Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Book of Wine Law: A Case of Legal Issues (ABA Little Books Series):

Following on the success of *The Little Green Book of Golf Law*, this fascinating book takes a look at how the world of wine, vineyards and wine drinking has intersected with the law. Modeled after a case of wine, this book contains 12 chapters each examining a specific topic. The book broadens anyone's appreciation of the wine industry, and will be a welcome addition to any wine enthusiasts or lawyers library.
