This has some great Hawaiian staples to it. Here are some of my favorites:• Tuna Poke• Char Siu Bao• Macaroni-Potato Salad• Tonkatsu• Pork Chow Mein• Malasadas (!)The book is the size of your hand and takes up no space at all. It's well-designed with nice food photography. Most of the ingredients are easy to acquire, and the recipe directions are short and easy to follow.For a small book, it packs a punch. You are sure to love a few things in here. Recommended.0 of 0 people found the following review helpful.

Five StarsBy Eugene E Ricegood book

The latest addition to our Little Hawaiian Cookbooks series, Tastes Flavors of Hawaii contains 50 recipes featuring ingredients and flavors that celebrate Hawaii's unique culinary roots all presented with stunning photography. Whether it's bringing a pan of Teriyaki Beef Kabobs to the office party, tailgating with Aku Poke and Salted Soybeans, or relaxing with friends sipping a Mai Tai, there is something for everyone. The book, which includes a glossary and cooking tips, is the perfect gift for loved-ones living abroad or visiting friends and family. Priced at \$7.95 it makes a thoughtful grab-bag gift as well.
