From Murdoch Books : **The Little Thai Cookbook (The Little Cookbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Thai Cookbook (The Little Cookbook):

The Little Thai Cookbook explores the ways in which geography, climate, culture and tradition have shaped one of the world's most popular cuisines. It takes a look at the behind-the-scenes world of growers, artisans, chefs and home cooks, whose passion for produce is reflected in the regional styles and flavours of Thailand's rich and varied food. More than 80 recipes including street food, seafood specialities, stir-fries, vegetable dishes and curries.
