Anonymous : The London and Country Brewer before purchasing it in order to gage whether or not it would be worth my time, and all praised The London and Country Brewer:

0 of 0 people found the following review helpful. Three StarsBy Whiskey RiverGreat historical document of 18th century brewing techniques0 of 1 people found the following review helpful. Not worth the cost of the paper it is printed on.By CNCMILLReceived this book today and to be kind it is not worth the postage it cost to get here. I consider myself lucky that I bought the paperback and that i did not get burned worse than by buying the Hard Cover.

Save your money

From the preface: Wherefore I have given an Account of Brewing Beers and Ales after several Methods; and also several curious Receipts for feeding, fining and preserving Malt Liquors, that are most of them wholsomer than the Malt itself, and so cheap that none can object against the Charge, which I thought was the ready way to supplant the use of those unwholsome Ingredients that have been made too free with by some ill principled People meerly for their own Profit, tho' at the Expence of the Drinker's Health.
