This is the first cookbook I have purchased in the Kindle format. I was a little apprehensive about it after reading some of the other reviews. The recipes are easy to follow and the measured ingredients appear in ounces and kilograms. Not all variations of the recipes are illustrated, but all basic recipes are illustrated. The table of contents easily directs you to the different recipe sections. The recipes are fabulous and each recipe lists the equipment you need. The author stresses the need for quality ingredients and provides the product names and sources for purchasing them. This information is both practical and thorough, especially regarding flour types. I love this cookbook! Be warned, while some of the recipes assemble relatively quickly, others require some time. None of the

recipes are back-breaking or highly stressful to make. Just enjoy the process!3 of 3 people found the following review helpful. Nice collection of recipesBy BookloverWorth it for the plum galette recipe alone. We have eaten at the Model Bakery a few times, so I was excited to find a cookbook for their recipes. I am used to writing all over my recipes, so I had to get used to baking from recipes on my laptop, but I liked that I could bookmark it as a favorite and add my comments electronically. It's a brave new world!4 of 4 people found the following review helpful. So far so goodBy shopperI visited the bakery and bought the cookbook upon my return. I have made two cookie recipes so far and am very impressed. The oatmeal raisin cookies tasted exactly like the one I bought in the bakery.

Featuring Oprah's 2016 Favorite Things English Muffins! This definitive baking guide is the much-anticipated cookbook from the Model Bakery, a mother-daughter–run baking destination with a huge local following that's been wowing the Wine Country for years. And this book of sensational artisan baked goods makes clear why there are lines out the door! Featuring 75 recipes and 60 photos, it's as luscious to look at as their most-requested breads, classic desserts, and fresh pastries—all arrayed here—are to eat. Pain au Levain, Sticky Buns, Peach Streusel Pie, Ginger Molasses Cookies, and many more glorious recipes make this a mouthwatering read and a reference gem for lovers of bread and pastry, cakes and cookies, and, of course, the Model Bakery!

"Model Bakery is much more than the wonderful bread they bake. It's part of the breakfasts I sneak with my wife and kids, the holder of my addiction to English muffins, and the first thing to grace the table at Bottega. In short, Model Bakery is a part of everybody and everything I love in the Napa Valley. Enjoy this book and it will be a part of yours too." -- Michael Chiarello, Chef/Owner of Bottega and Chiarello Family Vineyards"This wonderful book is a perfect reflection of Karen Mitchell's passion for baking and her many years in the business. Her clear, easy-to-follow directions will instill in anyone who loves to bake, the confidence to achieve professional results every time." -- Flo Braker, author, baking instructor, former San Francisco Chronicle baking columnist"Karen Mitchell is the queen of bread and sweets in the Napa Valley. How lucky we are to have her irresistible treats collected into this beautiful cookbook." -- Carol Field, author of the Italian BakerAbout the AuthorRick Rodgers is the author of more than 35 cookbooks and is based in New York City.Karen Mitchell opened the Model Bakery in 1984 and lives in Napa Valley, California.
