From imusti : The New Single Malt Whiskey: More Than 325 Bottles, From 197 Distilleries, in More Than 25 Countries before purchasing it in order to gauge whether or not it would be worth my time, and all praised The New Single Malt Whiskey: More Than 325 Bottles, From 197 Distilleries, in More Than 25 Countries:

1 of 2 people found the following review helpful. Might have a problem after reading this one!!By B. WrightThis

book is awesome. Hoping that I can find some of these liquors and try them out. 7 of 11 people found the following review helpful. Vapid coffee table book at bestBy TroyThis is more of a "coffee table" book than a serious examination of single malts. The kind of book that will be on display at Pottery Barn or Williams Sonoma, to be consumed by unknowing suburban housewives who think it will be a holiday gift for their husband. I, unfortunately, purchased the book sight unseen on the notion that it would be similar to Clay Risen's "American Whiskey, Bourbon Rye". It is not close to that book, which has a history of American distillers, with tasting notes and rankings of various whiskeys. This book looks at most of the countries making single malt today and picks a handful of gratuitous distillers. It gives a brief history (two paragraphs usually) of the distillers. There's no real history of the distillers or the breadth of offerings from many of these whiskey producers. Let's put it this way, the section on Scotland only has a half a page dedicated to Laphroaig with about 150 words. Skip this purchase and buy something like Jim Murray's book for insight into the world of whiskey. 0 of 0 people found the following review helpful. Well it's pretty and that's about it. By ___ Let me say first off that this book is pretty. It is well designed and something you could leave out on the coffee table for *aesthetics.* Kudos to the designer. That's where the compliments end. I'm disappointed that Clay Risen acknowledged this book with an intro. It's definitely a book someone would purchase for a knowledgeable friend or family member, who ultimately would be disappointed. Pass and put your \$20-35 towards, I don't know, anything else.

The most definitive guide to the new revolution in single malt whiskey across the globe, complete with cocktail recipes, bottle reviews, tasting notes, distiller interviews, and contributions from award winning experts! The Most Dynamic Chapter in the History of Whiskey is Being Written Now! THE NEW SINGLE MALT is the only book on the market devoted solely to new world Single Malt Whiskeys and old world cutting edge Single Malt Scotches. This distinguished guide to the most discerning of beverages is a worthy collection of whiskeys from around the globe, classic and creative cocktail recipes, and full-color photographs throughout. Never before has a book taken such an in-depth look at the old and new world malts from near and far. THE NEW SINGLE MALT WHISKEY is the most up-to-date and definitive guide to the current revolution happening in single malt whiskey.

About the Author Chip Tate is an acknowledged leader in the craft distilling industry, having received more than 150 national and international awards, including US Craft Distillery of the Year and Global Distillery of the Year from the Wizards of Whisky International Competition in 2012. In recognition of his contributions to the development of the craft spirits industry, Whisky Magazine awarded him their inaugural Craft Whiskey Distillery of the Year Icon award in 2012, a category which he won again in 2014. In 2013, The Spirits Business named him a Grand Master of World Whisky. In 2014, at the prestigious World Whisky Awards in London, he won the Best Overall American Whisky category. At the end of 2014, Chip embarked in a new strategic and creative direction, establishing Tate Company Distillery and Chip Tate Craft Copperworks in Waco, Texas. Clay Risen is a senior staff editor for The New York Times opinion pages, the drinks columnist for Garden Gun magazine and the author of American Whiskey, Bourbon and Rye: A Guide to the Nation's Favorite Spirit and A Nation on Fire: America in the Wake of the King Assassination.
