**Jacki Passmore : The Noodle Shop Cookbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Noodle Shop Cookbook:

When Americans think of noodles, it's not just about Italy anymore -- with Asian noodle shops more popular than ever, The Noodle Shop Cookbook makes it easy to enjoy the wide variety of Asian noodle dishes. Introductory chapters cover all the basics: tips for buying and cooking, the types of noodles available like soba, somen, or udon, recipes for numerous stocks and noodle broths, and instructions on how to prepare homemade noodles. There's even a chapter of recipes for vegetarian dishes and a special chapter featuring the author's own personal creations. Here cooks will find delicious Chiu Cou Noodles in Sesame Sauce, Spicy Singapore Noodles, Teriyaki Soba, and Chicken Noodles in Coconut Soup. The Noodle Shop Cookbook makes this dietary mainstay of Asia easy, delicious and fun to

eat.
