Leonard S. Bernstein : The Official Guide to Wine Snobbery (A Cult Classic) before purchasing it in order to gage whether or not it would be worth my time, and all praised **The Official Guide to Wine Snobbery (A Cult Classic)**:

6 of 6 people found the following review helpful. Funniest Wine book everBy A CustomerThe book is written as an autobiographical story about Bernstein's quest to reach the upper ranks of wine snobbery. He covers what to order and when (and how to go from impressive to daringly impressive w/out spending too much) paring wine with food, what to do with the cork, how to taste wine without looking dumb, best names for wine ever, etc.This book is great for beginners because it's a great way to learn, or for someone who already "knows it all" when it comes to wine because it's so funny. I've bought this book as a gift for several people and they always comment on it months later. While I suppose you could learn to become quite a wine snob, it's easier to laugh at them. I also noticed that my confidence around wine improved when I realized that the main thing a "real wine snob" did was ignore all "rules" about wine with confidence.0 of 0 people found the following review helpful. Five StarsBy judith brovitzSeemingly knowledgable (I don't know much about wine) and quite funny)0 of 0 people found the following review helpful. Satirical work, written with great humorBy D. GleasonNot everyone who loves wine is a snob. However wine snobbery is a common fault or privilege (depending if you are a snob or not). This book offers a route to outsnob run of the mill wine snobs. It is written with good humor, and is actually filled with good information about wines. It's a good light read, very entertaining.

Hailed as the most entertaining reference to wine culture, this book arms readers with valuable knowledge of wine etiquette, while identifying those senseless acts of snobbery that often lead to embarrassing situations.

From the AuthorLeonard S. BernsteinAbout the AuthorLeonard S. Bernstein's work includes a collection of poetry, short stories and numerous articles for the New York Times, the Village Voice and several other publications. He currently resides in Westbury, New York.
