We became good friends, and cooked, and cooked, and cooked, until her untimely death, and amazing very talented woman.! ...JM Keller 2 of 2 people found the following

review helpful. Great RecipesBy Amanda J GutierrezI have tried several of the recipes from this book and have enjoyed them, very authentic. Some of the recipes i would like to make but have not been able to yet because I have not been able to find some of the ingredients. I think I will have to buy online or find some kind of specialty market thats not too far out of the way.2 of 2 people found the following review helpful. Great Book for smart cookBy Loretta P.I love Thai cuisine and this is the one of the best cook books,containing so much recipes with detailed step by step descriptions of the preparation and technology process .I love it .
