Aberdeen Stationers : The Pizza 2016 Wall Calendar before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Pizza 2016 Wall Calendar:

By KateGreen I love the photos but the calendar is of unprofessional quality. The months are in the wrong order (WOW - that's bad) and the photo page for June is a blank sheet of paper (WOW - that's bad too). The only reason I didn't give it a 1 star is because the photos are absolutely wonderful for a pizza loving family such as ours.

By Bryan K. Bartlett A cheap piece of crap. Looks are deceiving. Do NOT waste your money.

By Dylan THIS IS THE WORST PIZZA CALENDAR EVER. I will look for a more appealing pizza calendar. Something more for millennials, rather than old people.

Indulge yourself in the ooey, gooey deliciousness of an all-you-can-eat pizza buffet for the eyes. This gorgeous, full-color calendar features twelve months of decadent pizza that will keep your mouth watering. There's no reason not to treat yourself! Twelve striking pizza photographs are accompanied by monthly grid calendars listing U. S. holidays. Ample space is provided each day for noting birthdays, anniversaries, and other occasions and appointments.
