Tara Q. Thomas : The Pocket Idiot's Guide to Wine (Pocket Idiot's Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Pocket Idiot's Guide to Wine (Pocket Idiot's Guides):

0 of 0 people found the following review helpful. For (very) beginners
By Melanie Clark
I was hoping to learn a bit more about wine tasting in layman's terms, but I don't think this book has taught me anything that I wouldn't have learned reading an article online. A lot of fluff and basic information; not much to take away and grow from.
0 of 0 people found the following review helpful. Excellent book!
By N. Roque
I read a few books on wine, and found this one to me the most informative, and well written. I read it on my nook, but then ordered it in hardcover, so that I could take notes re: wines we try. It is a great guide, and you will be teaching everyone around you when you are done reading it!
1 of 2 people found the following review helpful. Incredible content for such a small book
By Mario Lopez
If you are into enjoying wine and not pretending to become a seasoned sommelier this book is perfect for you. The reading is quite entertaining and fun. It'll give some tips to pick a good wine no matter your budget, recognize how a different region or country will affect wine taste, grapes and other things.

Everything you need to know about wine to go. With separate chapters for the best whites and reds and special advice on bubbly wines, dessert wines, and more, Tara Q. Thomas provides a perfect quick reference book for pocket or purse. Most importantly, Thomas brings her fresh, approachable tone to this book, making beginners feel welcome with straight, unsnobbish talk about wine including the basics of labels, how to taste, recommended wines, bargains, price ranges, and more for chardonnay, sauvignon blanc, riesling, pinot grigio, cabernet sauvignon, merlot, pinot noir, and syrah. -The U.S. is the third largest wine-consuming nation in the world and is projected to be number one by the end of this decade -Author is a wine expert with contacts at all levels throughout the wine world -Wine books sell well -A new and fresh approach; not too stuffy, snobby, arrogant, or overbearing

About the Author
Tara Q. Thomas is the editor-in-chief for Wine Spirits magazine. She also serves as the wine editor for Denver Post, where she writes a bi-weekly column for the nation's fifth largest Sunday newspaper. She is the author of The Complete Idiot's Guide to Wine Basics.
