Parragon Books : The Princess 3D Cookie Kit before purchasing it in order to gage whether or not it would be worth my time, and all praised The Princess 3D Cookie Kit:

Little hands love to help in the kitchen - whether it's making the cookie dough, rolling it out, cutting out shapes, decorating the cookies, or even just licking the spoon - baking together is a recipe for fun! The 3D Princess Cookie Kit contains easy-to-make recipes, with clear step-by-step instructions and helpful photographs of the method to get children and adults into the kitchen. The recipe book also comes with a 3-piece pumpkin carriage cutter, perfect for creating a fantastic 3D creation.
