**HAYATO ISHIYAMA : The Ramen Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ramen Book:

3 of 7 people found the following review helpful. Five Stars By aswgood reference for a ramen lover 1 of 1 people found the following review helpful. Four Stars By Lady Lu It's not a receipt book, Its more a menu of what is available to purchase 9 of 13 people found the following review helpful. It's only useful for people planning to travel to Japan to visit ... By stephen w. motley The book provides only general descriptions with no actual recipes. It's only useful for people planning to travel to Japan to visit specific ramen shops. Most of the different varieties described aren't available in the USA. .

With a write-up in the Michelin Guide, European ramen events, and the exploding popularity of Tonkotsu Ramen in China, Japanese ramen is taking the stage as an international dish. A plethora of ramen shops exist in Japan, ranging

from old shops offering tastes unchanged since pre-war days to new shops purveying the latest, most fashionable flavors. Japan's most popular ramen shops are rolling out internationally, and are making a name for themselves in the United States and abroad. This book defines ramen. It gives the full picture of its beginnings, the evolution of the ramen "genre," as well as special character of localized ramen, altogether revealing the unique charm of this beloved Japanese dish.

About the Author Hayato Ishiyama is one of the most famous "Ramen Journalist" in Japan. After he started the Ramen Kenkyukai in University, an officially recognized ramen study group, he has devoted himself to Ramen and has eaten at over 6,000 ramen shops. With enriched experience and wide knowledge, he has appeared in and helped TV show in planning and collaborate with a lots of Instant Noodle Soups and Ramen shops.
