found the following review helpful. Beyond Challah 101 By Rebecca C. Enchanting and thorough, Rochie Pinson reveals the depth and mystery within the seemingly simple act of baking Challah. *The Rising Life: Challah Baking Elevated* is beyond any other treatise on baking; it stirs the spirit and touches the heart. The truths revealed are recognized by the soul of a knowing reader, resulting in happiness, serenity, and a yearning to follow in the direction illuminated by the author.

*The Rising Life* is the definitive book on Challah. Funny, wise and engaging, it is both a manual for baking and braiding a magnificent homemade loaf, and a metaphor for the nurturing which occurs in all of our lives. Pinson explores challah baking as a recipe for life and loving, and you will find yourself rising right alongside her challah dough.
