Marjorie is the expert!By DougShe has won hundreds of blue ribbons at our state fair and the competition is always fierce. This replaces my old copy that got ruined.

She cracks up Jay Leno on The Tonight Show and Rosie O Donnell on The View--and now Marjorie Johnson has filled her cookbook with one hundred prize-winning recipes that will delight your taste for home-made favorites and keep you laughing while you're waiting for the timer to go off. With over a thousand blue ribbons to her credit, Marjorie has learned a thing or two about baking, and she has packed The Road to Blue Ribbon Baking with secrets

that can make you a prizewinning baker, too!

About the Author Marjorie Johnson is described as a 4' 8" dynamo. Marjorie enjoys spending the whole day baking. Her goal is to continue improving her baking skills. This philosophy has produced blue ribbons at the fair and has helped her win national baking contests.
