Brian H. Smith : The Sommelier's Guide to Wine before purchasing it in order to gauge whether or not it would be worth my time, and all praised *The Sommelier's Guide to Wine*:

0 of 0 people found the following review helpful. Grateful didactic introduction to the world of wineBy Jorge L. M. MesquitaI liked the book very much. For those who don't have any knowledge of the world of wine as me, I considered this book a grateful introduction to the subject. The author made use of a colloquial speech in writing the book. So, it looks like he's talking to you, which turns the reading a grateful conversation, certainly a consequence of the author's teaching experience. I found the book complete for what I expected to learn about wine. I recommend it strongly for those who want a didactic introduction to the subject and also for those who are afraid of reading a bore text about it. The book has also an interesting format, which eases hand or bag transportation. Although not being colorful, I found the book well designed for easy reading.2 of 2 people found the following review helpful. Good for new starters or a cursory understanding.By Allister ChangGood summary of wine but not much depth. I was expecting a book with sommelier in the title to provide much more detail. A quick read For jumping in as a beginner oenophile but after reading this I still wanted to learn more.0 of 0 people found the following review helpful. Five StarsBy CustomerAwesome

This updated and revised edition is the essential guide for aspiring wine connoisseurs who are seeking the knowledge and confidence of a C.I.A. wine professional. Written by a leading wine educator from the esteemed Culinary Institute of America, *The Sommelier's Guide to Wine* is an engaging, in-depth introduction to the often-intimidating world of wine. This fully updated guide provides a basic text for wine aficionados. Created in a handy size and format, it gives wine lovers the confidence and savvy to navigate the wine list in a restaurant or the aisles of the local wine store. Foodies, wine expert wannabes, wait staff, and wine lovers alike can learn how to present, serve, drink, and store wine just like a sommelier. The guidebook explains different wine styles, grape types, wine regions, and includes tips on how to properly pair wines with specific foods. Learn about all the new wine trends, too.It's the perfect introduction to the complex world of wines.

From the Back CoverSelect, serve, and enjoy wine like a pro! The more you know about anything, the more enjoyable it can be. That is certainly true of wine--and Brian Smith, a leading wine educator at the Culinary Institute of America, is the perfect guide to this sometimes intimidating subject. "If you want to make wine complicated, you can," Smith says, "but to select and serve wine effectively, you simply need to know the basics." He's included all of those basics in this lively and comprehensive guide to the world of wine. You'll learn: All about the various wine style, grape types, and wine regions How to pair wines with specific foods How to decipher wine labels like an expert How to order, taste, and decant wine with confidence And much more! Detailed maps and color photos of vineyards, bottles, labels, and more make this book as inspiring as it is useful, and the perfect addition to the library of any wine-lover from the novice to the seasoned connoisseur.About the AuthorBorn in London, Brian H. Smith was educated and worked in the wine trade in England before moving to the United States. He has taught and lectured extensively here and abroad, and for the past 15 years has been one of the leading wine educators at the renowned Culinary Institute of America. He is the co-author of *Exploring Wine: The Culinary Institute of America's Complete Guide to Wines of the World* (2001). He lives in Kingston, New York.
