I know my way around a baking kitchen, and wish I had had access to this book all the years I was learning. In addition to clearly-illustrated technique pages at the beginning of each section, the editors of Southern Living have included illustrations of EACH recipe. The format is excellent, the instructions clear and concise. My only concern is the use of self-rising flour in the biscuit section, as I don't use the stuff, but maybe I should consider leaving this prejudice behind. Treat yourself, fellow bakers---here is a real gem of a book. 2 of 2 people found the following review helpful. Tempting, gorgeous cookbook By Booklover in AZ What a tempting, gorgeous cookbook! I bought this as a gift; I'm no baker. But just looking at the photos and the titles of foods - it was heaven and so tempting. I know the

recipient will love this book. 1 of 1 people found the following review helpful. Beautiful cookbook By Bakery Lady This is such a beautiful book, the clear photos, well written recipes, just a beautiful book. I would recommend it for beginner, as well as seasoned bakers. It has a wide variety of recipes for everyday, as well as special occasions. It is truly one of my favorite cookbooks.
