**Frankie Frankeny, Wesley Martin : The Star Wars Cookbook II -Darth Malt and More Galactic Recipes** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Star Wars Cookbook II -Darth Malt and More Galactic Recipes:

Even the pickiest of Gungans will eat their fruits and veggies when Bubble City Salad and Boss Nass Broccoli are on the menu. With this exciting new sequel to the best-selling *The Star Wars Cookbook: Wookiee Cookies and Other Galactic Recipes*, Star Wars fans of all ages can cook up more out-of-this-world fun. From razor-toothed Opee's Sea Crunch (for fish fillets with a real bite) to Darth Double Dogs (doubling as a light saber you can eat!), this intergalactic Star Wars cookbook features healthy snacks, delicious dishes, sweet treats, and easy main courses no Rebel can resist. Featuring hilarious photographs and recipes and wipe-clean pages, *The Star Wars Cookbook II* even includes a shiny plastic stencil of Darth Maul to help decorate culinary creations. And age is no issue when the Force is with you-adults

as well as kids will have a great time with this book.
